JANUARY SCHOOL DISTRICT OF THE MONTH

HON. CAROLYN MCCARTHY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mrs. MCCARTHY of New York. Mr. Speaker, I have named the Franklin Square School District as School District of the Month in the Fourth Congressional District for January 2002. The schools are Polk Street, Washington Street and John Street Elementary Schools.

This month I've decided to honor three schools in the Franklin Square School District for their growth and innovativeness. Dr. Timothy Lafferty is the outstanding Superintendent of Schools in Franklin Square. Primarily serving the residents of Franklin Square, the school district also adds portions of these neighboring communities: Garden City South, West Hempstead, Elmont and Malverne. The administrators of the schools are: Gloria Perry, Principal, Polk Street Elementary School; Vincent Butera, Principal, Washington Street Elementary School; and Ceil Candreva, Principal, John Street Elementary School.

Today, all three elementary schools in the district held groundbreaking ceremonies for renovations and additions to be completed in this new year.

Any time I see Long Island schools growing, expanding and renovating, I'm heartened for our future. The very structure of a building is so vital to the inside health and well-being of the students, staff and faculty on the inside.

Dr. Lafferty and his administration prepare children to be contributing members of society along with their academic instruction. Providing a "Foundation for Success" is the driving force that shapes all programs in the Franklin Square School District's three elementary schools.

Two programs cited as "exemplifying the spirit" of the schools are the Accelerated Reading Program and the Character Development Program. The goal of the Accelerated Reading Program is to ensure that students read more books independently outside of the school day. Each teacher maintains a bulletin board which spotlights students' progress toward achieving their goals.

The Character Development Program aims to teach students values by stressing practice in addition to study and discussion. Through the implementation of cooperative learning, students learn to practice leadership strategies, impulse control and responsibility. Students learn to be good citizens. The vision of Franklin Square School District—A Foundation for Success—prepares Long Island students for a lifetime of learning. It is a vision shared by all members of Franklin Square community, including students, teachers, administrators and parents.

The Fourth Congressional District salutes the Franklin Square School District's focus on

the future. I congratulate all members of the Franklin Square School District community on this honor.

IN HONOR OF HAROLD JORDAN

HON. JOHN E. SWEENEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. SWEENEY. Mr. Speaker, I rise today to honor a constituent of the 22nd District of New York. Mr. Harold Jordan retired from the Greenwich Volunteer Fire Department in November 2001 after fifty years of continuous service. Mr. Jordan first joined the Greenwich Volunteer Fire Department on October 26, 1951 as a member of the Union Engine Company #1. During his half century of service, he served as a Captain, 2nd Assistant Fire Chief and 1st Assistant Fire Chief.

Mr. Jordan's selfless community service embodies the definition of a true American. Mr. Jordan has instilled this spirit of volunteerism in his family. His two sons and his son-in-law have all worked as volunteer firefighters. Mr. Jordan's dedication has served as an inspiration to his family, fellow firefighters and community.

As a result of recent tragedies, firefighters have finally received the attention and admiration they have long deserved. We must remember that firefighters put themselves in danger day in and day out. They do this because it is their job and they are proud to fulfill their duty. Mr. Jordan served his community in this impressive capacity for fifty years. I thank him and the 22nd District of New York thanks him for his tremendous contribution to the community.

I wish Mr. Jordan the very best as he begins his well deserved retirement.

PAYING TRIBUTE TO MARIANO APRAIZ

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize a representative of the American spirit and drive, Mariano Apraiz. Mariano is a Spanish resident, who after living in America for over thirty years, will take his oath and become a citizen of the United States. The ceremony will take place in Denver, Colorado on Friday, December 14.

The reason I bring Mariano's name to bear is to tell his story of determination to become an American. Mariano came to this country to find a new way of life and experience new opportunities in the world. He found work as a miner, rancher, and eventually he found a position in the local school district. Now at the age of 55, Mariano has enjoyed a successful life in this country and I praise him for his determination and courage to live his dream.

Mr. Speaker, when asked why he wants to gain citizenship, he simply replies, "I want to vote." I think this statement speaks volumes for the pride Mariano has in his new country. He wants to be part of the process, he wants to participate in civic responsibility, and he

wants to make a difference. He has grown to love this nation and in these difficult and trying times, he truly is a symbol of American pride and spirit.

Mr. Speaker, Mariano's patriotism and love for America will culminate as he is sworn in as an American citizen. I am proud of Mariano Apraiz for his determination and courage. His lifelong goal will be reached and therefore, he deserves the recognition of this body of Congress.

TRIBUTE TO DR. ALBERT C. YATES

HON. BOB SCHAFFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. SCHAFFER. Mr. Speaker, I rise today to congratulate Dr. Albert C. Yates, President of Colorado State University and this year's National Western Stock Show Citizen of the West. This award is given to the person who best exemplifies the spirit and determination of the western pioneer. Al Yates' leadership and dedication to Colorado and Colorado State University personifies this spirit.

Al Yates is the 12th president of CSU and has led the university to become one of the top research institutions in the nation. Since Yates took over as president in 1990, CSU has had record fund-raising, increased its enrollment, implemented core curriculum, increased research grants and recovered from a devastating flood that inflicted \$140 million in damages. He has brought remarkable vitality to CSU and has shown the important role higher education plays to the future of the West.

Born in Memphis, Tennessee, Al Yates enlisted in the Navy after high school and served on the U.S.S. *Kitty Hawk*. He then continued his education at the University of Memphis, graduating magna cum laude with degrees in mathematics and chemistry. Yates went on to earn a doctorate from Indiana University in theoretical chemical physics, served as the postdoctoral research fellow in the Department of Chemistry at the University of Southern California, and completed the Institute for Education Management at the Harvard School of Business. Before coming to CSU, Yates served nine years as the Vice President at Washington State University.

Mr. Speaker, Al Yates is a person of high integrity and honor. I consider it a privilege to know and work with him. He has served Colorado State University well taking the responsibilities and standards of his job to the highest level. In a recent edition of the Rocky Mountain News, Bill Coors was quoted as saying, "The Citizen of the West pays tribute to a person whose life and work embody the Western values we all hold so dear. With Al Yates, his work is his bond, and he's dedicated his time, energy and integrity to building our state's land-grant institution into a leader in the nation and a source of pride for Colorado." Furthermore, in a recent essay by Chancellor Dan Richie of the University of Denver (a recipient of the Citizen of the West Award in 1998), Richie said, "We are long-standing admirers of Yates, who has led the transformation of CSU from 'ag school' to premier research university."

Al Yates not only makes his community proud, but also his state and country. It is a true honor to commend to the House such an extraordinary citizen. We owe him a debt of gratitude for his service and dedication to the state, community and nation. I ask the House to join me in extending whole-hearted congratulations to the President of Colorado State University, and Citizen of the West, Dr. Albert C. Yates.

IN TRIBUTE TO CLAUDE "ROBEY"
ROBILLARD

HON. ELTON GALLEGLY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. GALLEGLY. Mr. Speaker, I rise in tribute to Claude "Robey" Robillard, who retired from the Ventura County (California) Sheriff's Department on January 5, 2002, after 14 years with the department and 36 years in law enforcement.

I first met Robey when I made my first run for public office, the Simi Valley City Council. At that time, he was an investigator for the Ventura County District Attorney's Office, where he served for 7½ years. Robey also worked for the Fillmore Police Department for 13 months and for 13 years with the Oxnard Police Department.

Over the years we became good friends. I know him to be a professional in every sense of the word, a dedicated family man, and a man whose trust can never be questioned.

During his 14 years with the Sheriff's Department, Robey received numerous letters of commendation and appreciation from Ventura County's citizens and the Sheriff's Department. He has served as a patrol field sergeant, shift sergeant, watch commander, Standards and Training for Corrections divisional training sergeant and division traffic sergeant.

Robey was involved in the development of the 12-hour shift schedule at the Pre-Trial Detention Facility, which has been credited with maintaining security, reducing overtime and maximizing revenue. He researched and wrote the policy and procedures for contagious disease control and testing with the Detention Services Division and was involved in introducing the Incident Command System to Detention Services supervisors.

In addition, Robey and another sergeant were involved in the research, development, policy, training and implementation of Emergency Response Teams for all custody facilities. Her has served as treasurer, vice president and president of the Peace Officer Association of Ventura County and, since 1996, as the department's public information officer.

Robey is a 41-year resident of Ventura County. He and Gail have been married for 27 years and have two sons, Kristopher, 21, and John-Michael, 17.

Mr. Speaker, I know my colleagues will join me in thanking Sergeant Claude Robillard for his dedication to protecting the people of Ventura County, CA, for nearly four decades, and in wishing him and his family all our best in the years to come.

TRIBUTE TO CHRISTINE WILLIAMS

HON. STEVE ISRAEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. ISRAEL. Mr. Speaker, it is with great pride that I rise today to recognize one of New York's outstanding young students: Christine Williams. In February, the young women of her troop will honor her by bestowing upon her the Girl Scouts Gold Medal.

Since the beginning of this century, the Girl Scouts of America have provided thousands of youngsters each year the opportunity to make friends, explore new ideas, and develop leadership skills while learning self-reliance and teamwork.

These awards are presented only to those who possess the qualities that make our nation great: commitment to excellence, hard work, and genuine love of community service. The Gold Awards represent the highest awards attainable by junior and high school Girl Scouts.

I ask my colleagues to join me in congratulating the recipient of this award, as her activities are indeed worthy of praise. Their leadership benefits our community and they serve as role models for their peers.

Also, we must not forget the unsung heroes, who continue to devote a large part of their lives to make all this possible. Therefore, I salute the families, scout leaders, and countless others who have given generously of their time and energy in support of scouting.

It is with great pride that I recognize the achievements of Christine, and bring the attention of Congress to these successful young women on their day of recognition.

TRIBUTE TO DR. WALTER
ZIELONKO

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. SHIMKUS. Mr. Speaker, I rise to pay tribute to Dr. Walter Zielonko of Troy, IL, and the great work he has done for his community over the 51 years he has served it.

Dr. Zielonko was born on February 10, 1923, and was raised in Detroit, MI. He worked his way up through medical school and unpaid internships, bouncing from town to town until he met his wife, Florence, and eventually settled down in the small town of Troy. There he served for 51 years, interrupted only by a 14-month tour of Korea as a captain of the U.S. Army Medical Corps.

During his time as a general practitioner in Troy, Dr. Zielonko—affectionately known as "Dr. Z"—served thousands of patients and delivered over 1,400 babies. He has watched the population of Troy grow nine times over, and has participated in many local projects, including the founding of Anderson Hospital.

Mr. Speaker, Dr. Zielonko has reason to be proud of the accomplishments in his life—in it he has served both the Troy community and his country. His skills have helped people from the smallest children to the elderly; from birthing mothers to wounded soldiers. His retirement was long in coming and is hard earned; he deserves our thanks and our gratitude.

May God bless him and his family on this special day.

PAYING TRIBUTE TO KARLA
SAFRANSKI

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2002

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize an outstanding individual from Silverton, Colorado and thank her for her dedication and hard work in the community. Karla Safranski has brought much needed economic growth to Silverton and to the Southwest Colorado region. I would like to mention several of her accomplishments before this body.

Karla's efforts to inspire economic growth have been spearheaded through the San Juan 2000 organization. This organization is responsible for providing loans for startup businesses as well as providing affordable housing for the residents of San Juan County. As the past President and current Board Member, Karla has been instrumental in leading the successful organization to its present position and statute. Her dedication is impressive considering Karla, along with husband Ken, spend a great deal of their time operating their own successful business in the community, ZESupply.

As a result of Karla's and her colleagues' efforts, the community of Silverton has experienced a significant increase in economic growth. San Juan 2000 has raised money and gathered support throughout the region to develop affordable industrial and commercial business space. The group has worked side by side with county leaders, private landowners, city officials, elected officials, and various organizations throughout the area to stimulate economic growth. The organization's and Karla's efforts have led to the creation of a strong year-round economy in the Silverton area.

Mr. Speaker, to reward Karla's efforts, she was recently named Economic Development Leader of the Year by the Region 9 Economic Development District. The district provides various economic services to several counties and Indian tribes in Southwest Colorado. This is quite an accomplishment and I am extremely proud to represent the City of Silverton and residents like Karla Safranski. Keep up the hard work Karla and good luck to you and your husband Ken in your future endeavors.
